

ANNIVERSARY OF FOUNDER'S DEATH

Apostle Whitney Delivers Eu-
logy of Joseph Smith at
Tabernacle Sermon.

TRACES CHURCH HISTORY

ATTRIBUTES BRIGHAM YOUNG'S
GREATNESS TO PREDECESSOR.

Conference meetings of the Salt Lake stake were held in the tabernacle in the afternoon, and in the assembly hall in the evening. At the afternoon session, Apostle Orson F. Whitney gave an address on the life of Joseph Smith, the founder of the Mormon church.

Apostle Whitney said:
"Today is the anniversary of a most sorrowful event in the history of the Latter-day Saints. Sixty-four years ago the Prophet Joseph Smith and his brother, Hyrum Smith, the patriarch of this church, were murdered in a jail in Carthage, Ill. They were thrust in prison to wait trial and while under the protection of the governor of the state, an angry mob which had been joined by the jailer and his guards assassinated the men, crying, 'They can escape the law, but they can't escape powder and shot!'"

Apostle Whitney then told the story of Joseph Smith's life, of how he had listened to the teachings of many faiths, but would not accept any of them. "Finally," said Mr. Whitney, "he went to God and asked him which creed he should belong to, as each preacher had said his church was the church of God. A few days later the angel Moroni came to him and revealed to him the place of concealment of an ancient record, giving the history of this continent from the earliest time until the third and fourth centuries of the Christian era. This had been hidden in a hill and the Prophet Joseph translated it by the power and gift of God, and the result was the Book of Mormon. While translating this record he received a visit from John the Baptist, who told him of a priesthood that had the power to baptize for the remission of sin and to use the laying on hands for the gift of the gospel. On these principles the Church of Jesus Christ of Latter-day Saints was founded."

Early Mormon Church.
Apostle Whitney then related the early history of the Mormon people, their experiences in Jackson county, Missouri, the trials and persecutions in Illinois, and finally their exodus to Utah under the leadership of Brigham Young.

"That Brigham Young was a great man no one will deny," continued Apostle Whitney, "but the greatest claim is that Brigham Young ever made was that he built on the foundations laid by the Prophet Joseph Smith. It was Joseph Smith who made the plans, who revealed the coming of the saints to this beautiful valley and who prophesied the fittingness of the great institutions that Brigham Young built, and when the roll of great men is called Joseph Smith will stand at the head and greater than the temple as the heaven is greater than the earth."

"We do not worship Joseph Smith; we worship God. His Son Jesus Christ. We recognize Joseph Smith as a prophet of God and we maintain that men today can be servants of God and receive His revelations today the same as they did in the days of Christ, and if we follow him and believe in his works then there is no

reason why He will not reveal himself unto us just as He did a thousand years ago. I know that I lived before I came here, and that I will live after I live here, and that on my conduct now depends whether I shall be happy or unhappy in the future, and it is the same with you. The houses, the temples, the tabernacles, and the great globe itself shall dissolve and perish—all will pass away—but there is one thing that will survive this wreck of matter. It is eternal life, and this is the greatest and grandest work of God."

FORECLOSURE IS GRANTED.

Utah Savings & Trust Co. Gets Ver-
dict Against Apex Mining
Company.

Neph, June 27.—At a session of the district court held here last evening the Utah Savings & Trust company, trustee, was granted a decree of foreclosure of mortgage against the Apex Mining company, and G. W. Gates, doing business as G. W. Gates & Co., the sum of \$26,425, with costs etc. The clerk today issued an order of sale to the sheriff directing the sale of the following described properties of the defendant company: The Annandale lode mining claim, the Rover lode mining claim, the Space lode mining claim, the Fracture lode mining claim, also the Apex lode mining claim, unpaid, together with all the mills, machinery, etc., appurtenant thereto.

It appears that on June 2, 1907, the defendant Apex Mining company executed and delivered to the plaintiff its mortgage 6 per cent gold bond of \$250,000, bearing date Jan. 1, 1907; that to secure payment of said principal, bonds and interest coupons, the defendant executed and delivered to the plaintiff its mortgage, bearing date Jan. 1, 1907; that the defendant has not paid any part of the principal sum or interest of said bonds or interest coupons, except \$4,200 interest, and is in default; hence the foreclosure.

The oil excitement is running high here now. All the agricultural lands for miles around the prospective oil centers are being leased. Today a great number of the Standard Oil company was on the ground and is endeavoring to snap up all available leases.

The rose festival ball held here last evening under the auspices of the Y. L. M. I. A. was the most beautiful and successful affair of the season. The refreshment booths and hall were festooned with roses. All the young ladies were dressed in white and were also bedecked with roses. Guests were in attendance from many of the neighboring towns of the state.

STRAWBERRIES FOR ALL.

American Fork, June 27.—The strawberry and ice cream festival, given by the Commercial club at the club rooms last night was the most successful affair the club has had for some time past. There were 150 present, consisting of members and their wives and invited guests. A very interesting program had been arranged by the committee, which was carried out in a very pleasing manner, and thoroughly enjoyed by all present. Governor Cutler was present and made a short address, in which he complimented the Commercial club members very highly for their push and energy, and said that he always enjoyed mingling with the citizens of our thriving little town. Miss Beulah Skors, who has recently returned from a year's absence in Europe, gave a couple of readings in a manner that plainly shows that she is a master in that particular line. After the program, strawberries, ice cream and cake were served, and every one was given all they could eat.

DEFINES MISSION OF GREAT NATION

Pastor of Central Christian
Church Says Birthday Is
Time for Thought.

POLITICAL AND SPIRITUAL

CHURCH HAS EXERCISED WIDE
INFLUENCE.

Rev. Albert Buxton, Ph. D., preached yesterday morning at the Central Christian church to an unusually large congregation. His theme was "America's Mission." Dr. Buxton said in part:

"It is well to anticipate the senseless noise of our nation's birthday with a thoughtful consideration of its meaning. A birth may mean little or much. The world cares little that Jimmie Jones was ever born, but the birth of Luther shook a continent. So the birth of a nation may mean much or little. It meant little for the world that the empire of Brazil was born nearly a hundred years ago, but the very Alps shook when the Swiss confederation was formed."

"Does our country stand for anything unique in the world's program? Has it a mission among men?"

"Look at its physical constitution. It means nothing if it stands for nothing, but if America is to play a great part in the world's drama the stage is superb. 'Our fathers had already learned a little from their experience. The Pilgrims had broken away from the tyranny of a 'divinely authorized king and a divinely appointed bishop, to find their own truly natural freedom to worship God.'"

FORGER'S LONG SENTENCE.

Philip Gieser Gets Fifteen Years in
Pen for Uttering Fraud-
ulent Paper.

Provo, June 26.—Philip Gieser, alias Thomas Roberts, who pleaded guilty to forging the name of J. W. N. White, cotton to checks, was sentenced to fifteen years in the state prison today by Judge Booth.

The preliminary examination of James Sullivan, Thomas Healey and James Harris, charged with burglarizing William Palmer's residence, has been set for Monday.

Tennie M. Thomas of this city has been granted a divorce from Frank H. Thomas on the ground of desertion. She was awarded custody of two minor children. The Carstensen & Anson company has brought suit against Henry Barney for \$400 alleged to be due for a piano.

D. M. McDaniel has brought suit against John E. Little et al. to quiet title to thirty-nine acres of land near Alpine.

FIRST OF THE SEASON.

Citizens of Park City Enjoyed a
Band Concert Saturday Night.

Park City, June 28.—The first band concert of the season took place at the band stand last evening and the music had a great effect on the local citizens, for during the early evening hours the business houses were nearly all crowded and many people were to be seen on the main street, at the sight of which one was quickly reminded of the days when Park City was considered one of the best musical towns in the west, and from the reports that the mines are to be running with a full force of men by the 15th of July, this famous camp will again be rated with the best of them.

Leader Miller gave out the information that these concerts would be given each week. The following selections were played last evening:

March, "Bombalito".....Farrar
Selection, "Algonquin".....Sherman
Waltz, "Impassioned Dream".....J. Rosa
March, "Religioso".....Chambers
Serenade, "Evening Reverie".....Lasey
Waltz, "Day Dreams".....Bodewalt
March, "Stars and Stripes Forever".....J. P. Sousa

Park City people are working hard and determinedly to have the Moffat railroad pass through this city, as they all realize that a great benefit it would be to them and what a stretch of new country would be opened up in Summit county.

EXPERT KODAK FINISHING.

rapher, 151 South Main.

BIG TIME PROMISED.

American Fork Has Arranged for
Celebrating the Fourth.

American Fork, June 28.—Arrangements have been completed for one of the grandest celebrations ever attempted in this city for the Fourth of July. The committee met Thursday night and reported that everything was progressing nicely. The day will open with cannonading and music and until midnight of the Fourth there will be something doing, probably until the morning of the 5th. Hoisting of the flag at sunrise, accompanied by the stirring music of the American Fork silver band and firing the national salute, will announce the incoming of Independence day. The parade will form on First West street at 8:30 a. m., marching and countermarching on the principal streets.

The direction of the parade of the day, S. W. Chipman, and his aides, T. B. Parker and Jesse Green, Order of the parade: Military Director E. A. Henroid, mayor and city council in carriages, silver states, thirteen couple on horseback under the direction of Rodney Green, Rol Legie and J. Wootton; Goddess of Liberty; Utah, sego lily; merchants and tradesmen, mining and milling floats, Indian war veterans, pioneer floats, hand-carried company, Utah in 1847, the Wool-growers' association float, horribles, clowns and funny people's floats.

Immediately following the parade the people will assemble at the opera house, where an appropriate program will be rendered, lasting until 12 o'clock, noon. The afternoon will be given over to sports of all kinds. The horse races, ball games, etc., will take place at the city park and race track. T. J. Chipman, head of the horse race committee, has made arrangements for five different horse races—pacing, trotting and running. One special feature will be the cowboy race. Some good cash prizes will be given the winners.

The baseball game will be between Springfield and American Fork picked nines from each town. There will be foot races, high jumping, pole vaulting and other athletic sports during the afternoon. There will also be a dance for the children in the Apollo hall during the afternoon and a grand ball in the Apollo will conclude the day's festivities.

Mrs. Thomas Redmond and two children, of Salt Lake City, returned home last night, after a five weeks' visit with their parents, Mr. and Mrs. R. E. Hunter of this city.

On recommendation of Judge Cunningham and City Marshal Logsdon, Mayor Gardner remitted ten days of the fine of Sam Newton, who was serving a twenty-five-day sentence in the city jail for disturbing the peace and drunkenness.

ISN'T DICK IN HIS?

(Detroit Free Press.)

You can readily see from Senator Dick's actions that he is going to give his personal supervision to seeing that Senator Foraker's political grave is kept green.

Are you going to try for a large one in the Provo or a small one in some small stream?

RESCUE AUTO SENT IN HASTE

No Word Received From
Kearns Children's Party
for Five Days.

At 3:30 o'clock this morning, Ben E. Heywood, proprietor of the Cullen hotel, and Eddie Smith, a chauffeur, left Tom Botterill's garage at 62 West Third South street, in search of the children of former Senator Thomas Kearns and several companions, who left Salt Lake last Wednesday morning to go overland to Los Angeles in automobiles and have not been heard of since.

It is supposed that the Kearns automobile party may be tied up somewhere between here and Los Angeles because of a breakdown.

The party was made up of Edmund Kearns, 14 years old, Thomas Kearns, Jr., 10 years old, Neal Pratt, 18 years old, Charles Seifert, 12 years old, R. D. Childs, Senator Kearns' secretary, and E. V. Burrier, a chauffeur.

Their route to Los Angeles would have taken them past Garfield and Tooele, but nothing has been heard from them since the time of their departure.

Senator and Mrs. Kearns became alarmed and decided to send a searching party after the missing children and their companions.

Mr. Heywood, who has made the trip to Los Angeles and knows the roads, went along to guide the chauffeur.

It is thought probable that the reason the Kearns party has not been heard from is that the machine the children were riding in broke down in some out-of-the-way place, from which Secretary Childs was unable to telephone or telegraph to Senator Kearns.

last night, after a five weeks' visit with their parents, Mr. and Mrs. R. E. Hunter of this city.

On recommendation of Judge Cunningham and City Marshal Logsdon, Mayor Gardner remitted ten days of the fine of Sam Newton, who was serving a twenty-five-day sentence in the city jail for disturbing the peace and drunkenness.

Arthur Boutt Mentally Mixed With
Doctors and Giants.

Arthur Boutt, a stranger, who appeared in Bingham a few days ago, was brought to Salt Lake and lodged in the psychiatric ward of the county jail yesterday. Boutt is believed to be insane. He is about 22 years old. On Saturday he entered the office of Dr. Straup in Bingham and said that a doctor, who wished to raise a race of giants, had control of him. He asked Dr. Straup to open him and take out the doctor's hand. Boutt then left Dr. Straup's office, saying that he would drown himself and in that way escape the doctor who was anxious to raise giants. He ran to a creek near Bingham and jumped in. Marshal J. W. Grant rescued him and locked him in the Bingham jail, where he was kept until yesterday, when he was brought to Salt Lake.

JOHN PAUL, of Mill Creek died at 11 o'clock last night at the L. D. S. hospital. He was 72 years old.
